

NKYVC HAS HISTORICAL WINNING SEASON!

In the ten year history of Northern Kentucky-Ohio Volleyball Club (NKYVC), the athletes and coaches have competed and bettered themselves year after year, but, 2009 was not any year it was historical! It takes an entire organization, including every player, parent, coach, administrator and fan committing to excellence to maintain this kind performance year after year.

NKYVC is a member of the Ohio Valley Region (OVR). The OVR is the second largest region in the country and registers hundreds of teams in each age division. The level of play and quality of competition in the OVR ensures that no victory is an easy victory. The **NKYVC 10-1 Tsunami, 11-1 Tsunami and 12-1 Tsunami were all crowned Ohio Valley Champions this year, 8 of 9 age divisions had teams in the top 5 at the OVR Championships and five NKYVC teams qualified for the USA National Championships.**

Through exceptional training, challenging competition schedules and a commitment to excellence NKYVC has continued to increase national performance levels and visibility. As a result, NKYVC athletes receive college scholarships, participate in the USA National High Performance Programs, are selected to the USA All Tournament Teams and help lead their school programs. NKYVC's winning philosophy, if you do not **PLAY** the best, you cannot **BEAT** the best or **BE** the best!

The 2009 season was no different, every NKYVC team posted spectacular competition results throughout their season. As a high note, five NKYVC teams qualified and competed at the USAV Girl's National Championships in Miami, Florida this summer, posting the best results ever. This consistent national performance proves what we at NKYVC already know: **FOCUS ON FUNDAMENTALS** and you will succeed.
