9-1	\$ 375.00	all inclusive	all inclusive		\$ 375.00	2	Including:					X		

*This is not the complete list of tournaments for each team. These are the events that ensure the highest level competition, visibility for recruiting and the best value for the entry fee .

**Additional expenses include tournament expenses & coaches expenses. Player/family travel, food, lodging is not included (this is common for most USA Clubs)

***Each year NKYVC is typically \$500-\$1000 dollars less than other area clubs who are similar in competitive levels and carry a similar schedule.

NKYVC investment versus value is excellent: all teams practice 3 times a week, positional training, conditioning and most importantly RESULTS.
